

Website privacy policy

Key details

This website privacy policy describes how OT Studios protects and makes use of the information you give the company when you use this website.

If you are asked to provide information when using this website, it will only be used in the ways described in this privacy policy.

This policy is updated from time to time. The latest version is published on this page.

This website privacy policy was updated on: **16/05/2016**

If you have any questions about this policy, please call 562-693-8173 or write to: 8803 Santa Fe Springs Rd., Whittier, CA 90606

Introduction

We gather and use certain information about individuals in order to provide products and services and to enable certain functions on this website.

We also collect information to better understand how visitors use this website and to present timely, relevant information to them.

What data we gather

We may collect the following information:

- Name and job title
- Contact information including email address
- Demographic information, such as postcode, preferences and interests
- Website usage data
- Other information relevant to client enquiries

How we use this data

Collecting this data helps us understand what you are looking from the company, enabling us to deliver improved products and services.

Specifically, we may use data:

- For our own internal records
- To improve the products and services we provide
- To contact you in response to a specific enquiry

- To customise the website for you
- To send you promotional emails about products, services, offers and other things we think might be relevant to you.
- To send you promotional mailings or to call you about products, services, offers and other things we think might be relevant to you.
- To contact you via email, telephone or mail for market research reasons.

Cookies and how we use them

What is a cookie?

A cookie is a small file placed on your computer's hard drive. It enables our website to identify your computer as you view different pages on our website.

Cookies allow websites and applications to store your preferences in order to present content, options or functions that are specific to you. They also enable us to see information like how many people use the website and what pages they tend to visit.

How we use cookies

We may use cookies to:

- **Analyze our web traffic using an analytics package.** Aggregated usage data helps us improve the website structure, design, content and functions.
- **To recognise when you return to our website.** We may show your relevant content, or provide functionality you used previously.

Cookies do not provide us with access to your computer or any information about you, other than that which you choose to share with us.

Controlling cookies

You can use your web browser's cookie settings to determine how our website uses cookies. If you do not want our website to store cookies on your computer or device, you should set your web browser to refuse cookies.

However, please note that doing this may affect how our website functions. Some pages and services may become unavailable to you.

Unless you have changed your browser to refuse cookies, our website may issue cookies when you visit it.

We have implemented Google Analytics features based on Display Advertising ([Google Analytics Demographics and Interest Reporting](#)). You can [opt-out](#) of Google Analytics for Display Advertising and customize Google Display Network ads using the Ads Settings. In addition, you can use the [Google Analytics Opt-Out Browser Add-on](#) to disable tracking by Google Analytics. We will use the data provided by Google Analytics Demographics and Interest Reporting to develop the site and content around our users' interests. Other tools are available to you to opt out of most if not all kinds of ad based cookies, we recommend [this site](#) for information and a tool to [opt-out](#).

Google Analytics: We use Google Analytics to collect information about visitor behaviour on our website. Google Analytics stores information about what pages you visit, how long you are on the site, how you got here and what you click on. This Analytics data is collected via a JavaScript tag in the pages of our site and is not tied to personally identifiable information. We therefore do not collect or store your personal information (e.g. your name or address) so this information cannot be used to identify who you are. We have turned on [Google Analytics Demographics and Interest Reporting](#) to get an idea of our demographics and users' interests. Please see above for how we use this data.

Third Party Cookies

These are cookies set on your machine by external websites whose services are used on this site. Cookies of this type are the sharing buttons across the site allow visitors to share content onto social networks. Cookies are currently set by Facebook & Google+. In order to implement these buttons, and connect them to the relevant social networks and external sites, there are scripts from domains outside of our website. You should be aware that these sites are likely to be collecting information about what you are doing all around the internet, including on this website.

Controlling information about you

We will never lease, distribute or sell your personal information to third parties unless the law requires us to.

We will always hold your information securely.

To prevent unauthorised disclosure or access to your information, we have implemented electronic security safeguards.

Links from our site

Our website may contain links to other websites.

Please note that we have no control of websites outside the otstudios.com domain. If you provide information to a website to which we link, we are not responsible for its protection and privacy.
